November 27-30, 2014

Like all good Thanksgiving day traditions, the Arizona International Auto Show rolls into the Phoenix Convention Center next weekend. The Arizona Auto Show (produced by Motor Trend Auto Shows) continues to thrive as a major city show. Over 500 2015 models of the latest cars, trucks, SUV's, and crossovers will occupy the show floor as well as concept cars and show cars. Attendees can check out the latest vehicles, sit inside, look under the hood, experience new technologies and even take a test ride in over 100 new models from 13 different manufacturers.

Vehicles making their Arizona Auto Show debuts include the

Honda CR-V, Acura TLX, Audi S3, 2015 Ford Mustang, 2015 Ford F150, Hyundai Genesis, Lexus NX, Nissan Murano, Subaru Outback, and Toyota RAV4. This year show will also feature a growing number of hybrids and all electric vehicles for the environmentally conscious and representatives from leading automotive manufacturers will be at the show to answer questions and provide information on the latest vehicles.

Thanks to special efforts on behalf of Scottsdale Ferrari-Maserati, Rolls-Royce Motor Cars Scottsdale, Bentley Scottsdale, and Lamborghini North Scottsdale, show-goers will also have up close views of numerous high-end luxury vehicles from Ferrari, Maserati, Rolls-Royce, Bentley, and Lamborghini.

The Arizona International Auto Show is presented by the Valley Auto Dealers Association and, in spite of the timing, promises no turkeys will be on display. As a special promotion by the sponsor, attendees can receive a FREE one-year subscription to Motor Trend magazine.
